

Tournament Gift Certificate Vendor

I am happy to announce that Bullseye Golf in the Hoffmantown Shopping Center, 8212 Menaul Blvd, Albuquerque, was approved by the SGNM Directors to remain our tournament gift certificate vendor for the 2017/18 seasons. The selection was based on competitive bid proposals between several potential vendors.

Funds that you won in the previous season as well as future winnings will be entered as credit on account at Bullseye Golf. Credits are good for all merchandise and services in the store and do not expire. In addition, for every \$100 you spend, you will get an extra credit of \$3 added to your account that you may save up or spend on your next purchase.

SGNM no longer issues paper gift certificates. After each tournament, a list of winners will be provided via e-mail to Bullseye Golf and they will enter the appropriate credits into their store system. We had to include phone numbers in the listing to make sure each player is unique and avoid giving credits to the wrong account.

As usual, tournament winners will be announced on our web page, so, if you do win, that amount will be available on account at Bullseye within a few days. The few individuals without e-mail will be notified in the newsletter if they win.
