

The Way I Look at It
President's Message
February 9, 2021

The Way I Look at It: it's time for some of us to start locating our golf clubs and time to get our swings ready for another fun season with the SGNM. I believe that we have put together another really nice schedule with some great courses. Thank you Seth Ward.

I hope this message finds everyone doing well, healthy and safe. I hope that you all had a great holiday season and happy New Year. Hopefully 2021 will be a better year.

We are probably going to have to deal with tee-times again this season. Depending on the COVID 19 restrictions, we may be able to go back to shotgun starts during the season. Kaz will make an effort to schedule tee-times where they are rotated among all golfers. We must remember that scorers must get the first tee-times. I am asking that board members volunteer to be scorer keepers, so that it isn't always the same few doing all the work. Indicate to Kaz on the entry forms, that you would like to volunteer to be a scorer.

The Way I Look at It: the only problem with golf is that the slow people are always in front of you and the fast people always end up behind you. LOL. This has always been a complaint, slow play. Let us all make an effort to keep the pace steady.

We really were pleased with the participation last season, considering the virus. Let's hope that this year will even be better. Don't forget to recruit at least one new member. Invite them to look at our web page to see what we have to offer.

The way I look at it, every good organization has a change in leadership every couple of years. Our two contractors (work horses) Kaz and Carl are not elected positions. President, Vice President, Secretary and Treasurer are elected. If any member is interested in any of these appointed or elected positions for next year, please let one of our board members know your intentions.

I also want to remind all of you that we have two scholarships to award this spring. If you have any family or friends graduating this year, encourage them to apply. All information will be updated on our web site this week.

I am looking forward to March the 8th, when we kick off our season down south. Get ready ladies and gentlemen! It is going to be fun for all of us to see each other again and to meet our new members.

Be safe. We will see you on the course.

Michael P. Romero, Pres.
